

EXPERIENCE

2023 – 2024

Design Architect — SOMA

BEIRUT / DUBAI

- Verve, City Walk — concept phase: led design and facade studies in Rhino & Grasshopper; developed the BIM model for floorplans and interiors.
- Saria, Dubai Maritime City — pre-concept to design development: parametric facade studies and iterations; BIM model for documentation and execution.
- District O & Enara, Business Bay — massing studies, design exploration, and BIM models for master plan and documentation.

2023 –

Project Architect — Dynamic Solution Co

KUWAIT

- Led office and retail design — restaurants, showrooms — focusing on layout efficiency, furniture, and facade studies.
- Designed interactive exhibition booths, stage and experiential design for major brands using computational design in Grasshopper.
- Oversaw 3D modeling, slicing, and printing for 3D-printed products.

2023

BIM Modeler — BIM International

BEIRUT

- Developed a LOD 300 BIM model for Hotel Norman's Cay Villas (Bahamas), collaborating with engineers, structural architects, and interior designers.
- Modeled parametric families, furniture elements, and shop drawings to project specifications.

2022 –

Design Architect — Self-employed

HYBRID

- Rings of Mars | Ring 4000 for Marsception — Top 50 — using AI-driven workflows, Rhino & V-Ray.
- Workshops on computational design, AI, and emerging technologies in architecture.

2022

Architectural Intern — Jemma Chidiac Architects

BEIRUT

- Moujassam Watan competition entry, Khobar KSA — from concept to fully visualized proposal.
- Wrote the shortlisted technical report for the Abdullatif Al Fozan Award for Mosque Architecture (CEBRA Architects, Mussallah Gasr Al Hosn).

EDUCATION

2025 – 2026

Master in Advanced Computation for Architecture & Design (MaCAD)

IAAC – INSTITUTE FOR ADVANCED ARCHITECTURE OF CATALONIA

Computational design, BIM & interoperability, AI in AEC.

2018 – 2023

Bachelor of Architecture (NASAD & NAAB accredited)

LEBANESE AMERICAN UNIVERSITY, BYBLOS

Dean's Distinction List — 3.7/4.0 GPA.
Honor scholarship all consecutive terms; featured in the NASAD Accreditation and SARD exhibitions.

2022

Bachelor of Architecture — study abroad program

KENT STATE UNIVERSITY, OHIO

Dean's Distinction List — 3.8/4.0 GPA.

SKILLS

DESIGN & MODELING

Rhinoceros 3D · Grasshopper · Revit

COMPUTATION & AI

Python · Generative AI workflows · Wasp / Kangaroo

VISUALIZATION

V-Ray · D5 Render · Enscape · Adobe Suite

LANGUAGES

Arabic	NATIVE
English	ADVANCED
French	ADVANCED
